

SUMMARY

Johnston County Transportation Advisory Committee

September 9, 2010 – 2:00 PM,
Land Use Center - Conference Room
Smithfield, North Carolina

Attendees:

- Scott Walston, NCDOT Planning Branch
- Sarah Lee, NCDOT Planning Branch
- Berry Gray, Johnston County
- Fleta Byrd, Town of Wilson's Mills
- Gerald G. Daniel, Sr., CAMPO
- Skip Browder, Town of Clayton
- Colin Campbell, Smithfield Herald
- Ryan Simons, Town of Selma
- Paul Cameron, NCDOT Planning Branch

The Committee reviewed the draft recommendation map and the project proposal list. Highlighted were the projects added since the last meeting. It was determined that more information was needed for Smithfield projects, especially the Industrial Drive and College projects, so Smithfield would need to be contact individually to discuss the plans. Other towns also need to be contacted, including Kenly, Four Oaks and Benson.

Rail, transit, bicycle and pedestrian plans will be included with a near future steering committee meeting designated for that topic. It was decided that the existing committee would also review the bike and ped plan with interest groups included for input.
